**<sup>1</sup>Page 81 and page 175 – Genealogy of the Fell Family in America, compiled by Sarah M. Fell – 1891:**

**Lydia Ann Fell** - born July 16, 1834 and died June 11, 1863, married Edwin J. Brown who was born on September 14, 1829 and died November 5, 1914, and was buried at the Mount Tabor Cemetery. **Emily Fell** - born October 3, 1828 and died January 26, 1880, and **Esther Harvey Fell** – born February 15, 1826, and died September 2, 1851. **Emily Fell** married (1) William W. Townsend and (2) John W. Cole. **Esther Harvey Fell** married Alpheus Hirst who was born January 29, 1826 and died May 12, 1863 and was buried at the Springdale Cemetery in Cedar County, Iowa, per Findagrave.com. On page 175, **Emily Fell** married William W. Townsend on August 22, 1848. He was the son of Levi and Mary Watson Townsend of Logan County, Ohio. He died on October 5, 1857. They had six children, “all died young.” Emily married John W. Cole on April 11, 1867 - see *Champaign County Newspaper Abstracts, May 1855-1871*, page 156, March, 2000, by CCGS, Chapter of O.G.S. They resided in North Lewisburg and had no children.

<sup>1</sup>Joseph Fell and Ann Fell - D.A.R. tombstone inscriptions publication has surname incorrectly spelled as Bell. Joseph and Ann Fell were parents of Lydia Ann, Emily, and Esther Harvey; all buried at the Friends Cemetery in North Lewisburg. Joseph and Ann Fell were grandparents of William Wright Fell also buried at the Friends Cemetery in North Lewisburg. Also, see pages 80 – 81 of *Genealogy of the Fell Family in America, compiled by Sarah M. Fell – 1891*

Dr. Vail was a mentioned as a physician. See census record below for Dr. John Vail residing in Zane Township in Logan County, Ohio in 1860. Also, see “History of Logan County and Ohio” 1880, O. L. Baskin & Co., Chapter IV., page 265: “Dr. John Vail was an early and useful physician in and about Middleburg. He graduated in medicine in 1832, and died in 1870. He was a man of exceptionally fine intelligence, useful in his life, and lamented in death.”

**<sup>5</sup>Champaign County Recorder - Deed Book Q, page 299:**

“Abner Winder, Jr. - Trustee for the Society of Friends” - April 2, 1840; Joshua Winder witnessed the signing of the Friends Church deed. Abner Winder Jr.'s death notice appears in the publication: *Friends Review* - Vol. IV. - No. 28 for March 29, 1851.

**<sup>6</sup>Original 1959 typed D.A.R. List:** Shows the spelling of first name as “Phineas M.”

Also, during visit of September 3, 2006: Linda Ellis read for the Phineas M. Winder tombstone as best as possible and found the age at death to be inscribed as "7 years 6 months and 11 days." Page 1300 of Hinshaw book – son of Abner and Rebecca Winder.

Biography of Seth S. Winder, son of Thomas Winder. (See below)

Birth dates for Hannah and Thomas Winder are calculated.

**\*\*8** Linda Ellis found the "dau. of Abel E. & Almada Wait" stone in the back row during visits of May 6 and 7, 2007. First name is Harriett. A. E. Wait, age 49, and Almada Wait, age 45 are in the 1860 U. S. Census living in North Lewisburg, Champaign County, Ohio. Harriett Wait's name is not on D.A.R transcription.

**\*\*9** M. Townsend - Linda Ellis found "M. Townsend" stone in the front row on a cemetery visit of May 6 and 7, 2007. No other date inscribed but "1848." Not on D.A.R. transcription records. M. Townsend was Mary Watson Townsend, the mother of William W. Townsend. She died in 1848 per *Beers History of Champaign County, Ohio 1881 (reprint) page 844, "Joseph Townsend" biography*: "...son of Levi and Mary Watson Townsend." "Levi and wife, after their marriage, remained a few years in Harrison Co., then removed to Belmont Co., residing there until 1834, when he went to Logan Co., when, after a residence of fifteen years, he returned to Harrison Co. and resided about twenty-two years; then went to Iowa where he is still living at the advanced age of 81 years. His wife died in the spring of 1848. They had five children. Three now survive – Elizabeth, Joseph, and Abner. The two deceased are Eli and William."

(The date is August 21, 1820)

Vol. IV refers to "Encyclopedia of American Quaker Genealogy" Ohio - Volume IV. -- by William Wade Hinshaw.

**<sup>10</sup>**Hudson, Isaac – D.A.R. transcriptions show his father's initials as "G.M." However, per Ralph L. Coleman, Jr., in his email to me of November 16, 2009: "Cassius M. Hudson was the first husband of my great-grandmother, Mary Catherine Burke Hudson. They were married in March 1880. I have the names of their two children born after 1882. Could the "G.M. Hudson" have been misread, and actually read "C.M. Hudson?" If the initials were, in fact, C.M. and M.C. Hudson, it could well be that Isaac was one of my distant relatives." To date, no stone has been found for Isaac Hudson. Cassius Hudson, age 28, and Mary, his wife, age 18, appear in the 1880 Census – Series T9, Roll 998, page 339, line 36.

**\*\*11**Linda Ellis found this mostly unreadable stone in the front row on a cemetery visit of May 6 and 7, 2007. Only death date and age are readable, but not the name. Not on D.A.R. transcription.

**\*\* WINDER** – Not on D. A. R. transcription records: Abner; Hope; Elta, daughter of S.S. and M.L; Levi; Linvill, son of M. L. and S.S; and Phebe.

**Civil War veteran - William Wright Fell, and William W. Townsend and Townsend children**

Note: The 1959 D.A.R. transcriptions for Joseph and Ann Fell were incorrectly copied as "Bell".

Per the book, *Genealogy of the Fell Family in America - Descendants of Joseph Fell - 1668 – 1748, compiled by Sarah M. Fell – 1891*, pages 80, 81, 174, and 175:

“(193) Joseph Fell (4), Thomas (3), born 2, 25, 1793, in Chester CO., PA. Died 5, 10, 1871 in Champaign County, Ohio. Married in 1818 to Ann Lamborn, born 8, 25, 1795 and died 1, 16, 1868, in same, dau. of George Lamborn and Martha Marshall.” “They resided in West Grove, Chester Co., PA., and in 1832 removed to Champaign County, Ohio. Both were buried in North Lewisburg Cemetery, Ohio. They had ten children”:

Thomas, George, Marshall, Elizabeth, Esther Harvey, Emily, Lewis, Samuel Kinsey, Lydia Ann, and Joseph Townsend.

The following Fell sisters are buried at the Friends Cemetery in North Lewisburg: Esther who married Alpheus Hirst; Emily who married William W. Townsend (1) and John W. Cole (2); and Lydia Ann who married Edwin Brown.

William Wright Fell is the only known veteran buried at the Friends Cemetery in North Lewisburg. He was a son of Thomas and Phebe L. Wright Fell. Thomas Fell was a son of Joseph and Ann Lamborn Fell. William Wright Fell was a grandson of Joseph and Ann Lamborn Fell.

Thus, Joseph and Ann Lamborn Fell; their daughters, Esther Harvey Fell Hirst; Emily Fell Townsend Cole; and Lydia Ann Fell Brown; as well as grandson, William Wright Fell; were all buried at the Friends Cemetery in North Lewisburg. Also, all six children of Emily Fell and William W. Townsend are buried at the Friends Cemetery. Four of their children are mentioned in the Hinshaw Quaker records on page 1296 for Townsend deaths:; Esther, Mary Ann, Rozilla and Watson. However, also per Hinshaw, Jane Anna is shown as a daughter born July 23, 1851, but no death recorded for her; and Philena is listed with a birth date of June 28, 1855, but with no death date. Philena shares a birth date with Watson, so possibly they were twins. A stone “M. Townsend” with only 1848 inscribed on it found at the Friends Cemetery may belong to Mary Watson Townsend, mother of William W. Townsend. She is reported to have died in 1848.

From the website, [www.daytonhistorybooks.com](http://www.daytonhistorybooks.com) :

### “Centennial Portrait and Biographical Record of the City of Dayton and of Montgomery County, Ohio, Pages 842 - 858 Samuel Sears to William F. Wollenhaupt”

“... John G. Sears and Elizabeth Winder were married in Champaign County, and came immediately to Montgomery County, where they resided for about six years, when they located on a farm near North Lewisburg, the farm being situated in the three counties of Champaign, Logan and Union. Their house was a station on the "underground railroad" for many years before the war, and they assisted many slaves on their road to liberty. Samuel Sears remembers several instances of escaping slaves, one case, in particular, where dogs were used in tracking fugitives, the hounds tracing them to his father's house. John G. Sears died on the above-mentioned farm in 1850, his widow remaining on the farm until 1866, when she gave up her home and lived the rest of her life with her children, being with a daughter in Cleveland, Ohio, at the time of her death, which occurred in 1894.”

#### ZANE TOWNSHIP 644 - BIOGRAPHICAL SKETCHES.

“SETH S. WINDER, farmer; P. O., North Lewisburg; was born December 11, 1841. His father, **Thomas Winder**, was born Dec 24, 1804, in Ross Co., Ohio: The latter's father, **Abner Winder**, came from Pennsylvania and was one of the pioneers of the Northwestern territory, settling in Ross Co. about the beginning of the present century. His wife was a **Ballinger**. **Thomas Winder** came to Logan Co. in 1841, purchasing 317 acres of land. The only improvements upon the same consisted of a double log cabin, and two old log stables. He married **Hannah Wildman**, who was born in Clark Co. Sept. 12, 1802. By this union there were ten children. Seth S. was reared amidst all the influences of a primal but progressive farming district. He received a common school education, spend six months in the High School, besides one term at Earlham College, Richmond, Ind. Returning home he again entered upon his father's farm, remaining with him until he was 27 years of age, when he married Maggie A. Linville, who was a native of Champaign Co., and whose parents J. H. Linville and Ann (Pennington) Linville were respected settlers of that county. The subject of our sketch now possesses a farm of 108 acres, well watered, very productive and adapted also to the raising of stock. He has two children- Aldina born Sept. 28, 1873, and Seneca, Jan. 23, 1879. The Winders have always been among the first to promote and encourage all those improvements which are necessary to the advancement, growth and ultimate wealth of any community. Being Quakers they partake of the integrity and industry so characteristic of that sect, and their excellent and valuable farms are fitting tributes to industry and perseverance. **Thomas Winder** is still living, a hale old man of 76. Time has dealt lightly with him and to-day he enjoys the robust health which a long life of temperance and happiness, together with honest toil naturally gives a man. On every hand he beholds his sons, progress and influential farmers. Our Edward Winder has done much to increase the reputation of the county as a breeder of fine wool sheep.”

Page 682, Vol. XVII, 1864 - *Friends' Review*” “—at the residence of her daughter, near North Lewisburg, O., on the 3<sup>rd</sup> of 1<sup>st</sup> month, 1864, **Hope Winder**, aged nearly 78 years, and elder of Goshen Monthly Meeting, Ohio.” “Her home was often the resting place of the gospel messenger...”

**Thomas Winder** married a second time following the death of his wife, **Hannah Winder**, on January 4, 1875. He married Adaline D. Limes Winder, the widow of his brother, Aaron Winder.

“No. 6771, Vol. D., page 1, Union County, Ohio: Thomas Winder and Adaline D. Winder. License Issued the 24th day of August A.D. 1880, to the above named parties. The State of Ohio, Union County}ss. I do hereby certify, that Mr. Thomas Winder and Mrs. Adaline D. Winder were joined in marriage by me on the 24th day of August A.D. 1880. Parker P. Pope, Mls.”

Aaron and his widow, Adaline D. Limes Winder (later Winder Ballinger Dailey) are buried at the Butcher Cemetery on Tallman Street in North Lewisburg.
